

TEJAS EYE HOSPITAL DIVYAJYOTI TRUST

Hospital

- We have performed 936 Surgeries during this month which is much less than what we did in October last year. Heavy rains in October was never considered a possibility BUT this year it rained until the end of third week of October. Due to the heavy rains, the patient inflow dropped substantially.
- Dr. Nilam Chaudhari has joined us as a consultant from 1st October. She has almost 10 years' experience. We welcome her in our team.

NETRAJYOTI TRAINING CENTRE

- Training of optometry students is going on well. The new batch will join around December. There are 21 admissions this year.
- New batch of vision assistant students started from August. Theory classes are going on regularly. This batch specifically appears better than most of the previous batches.
- Weekly online meetings for LEAP series is going on and our team is improving the data collection slowly but steadily.
- The online diploma course of Mr. Vimal Prajapati and Ms. Shivani Suchal run by L. V. Prasad Eye Institute is going on.
- One day recertification training in CCLS was attended by Dr. Kavin Shroff, Mrs. Sunita Vasava, Deepika Vasava, Sudha Rathod, Jignesh Patel, Vishal Raval and Mayur Gamit on 26th Oct. at Sunshine Global Hospital, Surat.

VISION CENTRES

- We have continued bi monthly visit of a team consisting of Ophthalmologist, Ophthalmic assistant, maintenance staff and cleaning staff to vision centres.

Diagnostic eye camps:

- Similarly, we have started door to door screening and adhoc eye camp activity in Netrang taluka also. During the month, we have screened 1804 individuals and distributed 858 readymade spectacles and 151 tailor made spectacles.

Camp performance - October 2024

No. of Camp	OPD	Refer Cataract	Specialist Transport	Optical sale	Medicine	Operation
19	1804	311	3	1009	34	157

Nipaben Dave - sponsored eye camp and visited the hospital.

Research Project

- First enrolment in Myopia study for Nphthal company from Australia was done during this month. We are waiting for the spectacles to reach our patients and then we will go for further enrolment.
- Enrolment in CTR ring trial of Biotech company also occurred during the month.
- Eyecryl IOL study of Biotech has crossed 50% enrolment by now.

Truck drivers' screening camps:

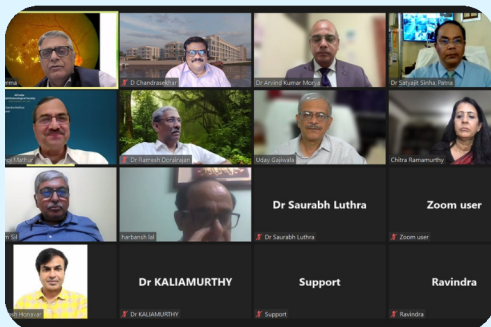

- At the suggestion of Gujarat Chemical Port Ltd., we have started screening of truck drivers and cleaners in Dahej area. We screened 232 truck drivers and provided spectacles to 154 truck drivers during the month. Due to continuous rains, the numbers are less than expected but we hope that situation will improve once the raining stops. Still, we have examined 6084 truck drivers by now.

CBR PROJECT FOR SONGADH TALUKA

- Actual implementation of CBR project - training of incurably blind individuals is started after the completion of second module training of the workers. We have taken 24 blinds for rehabilitation during this quarter. The training is going on satisfactorily. Alongside, follow up of curable blinds identified during the survey is also going on.

ROP PROJECT

- We have screened 172 babies and treated 8 babies during the month. Awareness session for parents was organised at MG General Hospital , Navsari & Modi Hospital , Vyara During the month.

GENERAL

- Inauguration of the new campus was planned on 20th October. Heavy rains made our team's job difficult. It rained heavily on 18th in the evening. We had to change our location of the function. BUT the response from the community was quite encouraging. More than 1000 individuals attended the function. Rev. Swami Suvigneyanandaji from Ramkrishna Mission, Vadodara and Rev. Swami Savitanandaji from Tarsada graced the occasion and gave blessings. Our local MLA and cabinet minister of state for tribal welfare, rural development and Labour dept. was our chief guest. Shri Bharatbhai, president informed the audience about the progress and plans. Dr. Uday made three announcements - 1. Eximer laser will be installed on the new campus. 2. 10th vision centre will be inaugurated at Ayurvedic hospital, Maliba campus of Uka Tarsadia University. 3. A book "Our experiences of Community Based Rehabilitation" written by us is released during the programme. He also gave information about the facilities on the new campus. Programme was followed by lunch. In the evening, Bhajan Sandhya with internationally famous artist Padma Shree Anup Jalota was also organised on the campus. This programme was sponsored by an anonymous donor. Almost 600 individuals joined us to enjoy the programme.
- Construction work is now progressing towards completion. Due to heavy rains, we were not in a position to complete the work before inauguration and so, we decided to go ahead with the inauguration but shifting will get delayed by a couple of months.
- The team from Japan came back with lot of positive learnings. We are very thankful to Dr. Yo Ishigaki and Prof. Handa for helping us arrange this programme and for taking very good care of our team.
- Following the visit of IQVIA CSR head at the suggestion of MFV, they have agreed to support 10 students.
- Eyecreel 600 IOL study of Biotech is ongoing. Total 477 enrolments have already been done including 207 patients bilateral enrolment.
- Umarpada comprehensive screening project implementation started two months back. 8375 individuals were examined during the month. Inauguration of the project is planned in November and hopefully, camp activity will also start from next month.
- World Sight Day was celebrated on 10th October. School screening was carried out in Khapar. Vyara Municipal Corporation staff was examined as a part of the same. A health education session was arranged in Wadi village in the evening.
- Dr. Ramesh Kania and Mrs. Jyoti Kania from USA have sponsored 100 phaco operations this month. The surgeries are going on.
